KSW CONSTRUCTION CORPORATION COMPLETES FOURTH FLAT TOP GRILL

Flat Top Grill of Wauwatosa Offers Customers a Unique Stir-Fry Experience

WAUWATOSA, Wis., (February 24, 2009) – KSW Construction Corporation recently completed the Flat Top Grill located at 2751 North Mayfair Road in Wauwatosa, according to KSW Construction Corporation president Dean Slaby. The Milwaukee-area restaurant is the second location in the state of Wisconsin, joining the Flat Top Grill of Madison.

“Our partnership with the Flat Top Grill began in the summer of 2006 when KSW was chosen to build the Madison location. We were then given the opportunity to build two more restaurants in Illinois,” said Slaby. “The Wauwatosa Flat Top Grill was KSW Construction’s fourth opportunity to work with restaurant owner Keene Addington.”

The Milwaukee-area Flat Top Grill has many special features which make the dining experience unique. The walls are lined with chalk-board style decorations giving information on anything from menu choices to “stir-fry how to” directions. Other characteristics include a basket-weave ceiling, a secluded dining area, and a 6’X6’ open grill where restaurant goers are able to watch their food being prepared.

KSW Construction Corporation is a Madison-area full-service general contractor providing design/build and construction services for restaurant, commercial, industrial, retail and service projects with a fresh, progressive approach. Founded in 2005, KSW Construction is committed to delivering a quality project on time and on budget, while providing excellent personal service.
